

REMARKS

Claims 2 and 3 are presented for consideration, with Claim 2 being independent.

Claim 2 has been amended and placed in independent form. In addition, editorial changes have been made to Claims 2 and 3. Claim 1 has been cancelled.

Claims 1-3 were rejected under 35 U.S.C. §112, second paragraph, as allegedly being indefinite for the reasons set forth on page 2 of the Office Action. In response to this rejection, Claim 2 has been amended to include the elements of Claim 1. In addition, Claim 2 has been amended to include the changes suggested on page 2 of the Office Action. In amending the claims, it will be appreciated that the changing attitudes of the arm members cause “movement” of the manipulating hand. Accordingly, reconsideration and withdrawal of the rejection under 35 U.S.C. §112, second paragraph, is respectfully requested.

Applicants note with appreciation that Claim 2 was indicated as being allowable if rewritten to overcome the rejection under 35 U.S.C. §112, second paragraph. As this rejection has been overcome, it is submitted that Claims 2 and 3 are now in condition for allowance.
